You must call the **Same Day Appointment Schedule Telephone line 617-414-ACHE** to schedule your appointment. **Please fax or email this referral using the contact info above prior to calling the appointment scheduling line.**

The phone line opens at 7am and remains open until all appointments for that day have been given out. You cannot call for next-day appointments. Only call on the day you would like to be seen. No walk-ins.

Please report to the front desk personnel at least 15 minutes prior to your scheduled time for registration.

Our clinic is located on the 6th floor of the Shapiro Building at Boston Medical Center. The street address is 725 Albany Street, Boston, MA 02118, and our telephone number is (617) 414-4046.

The initial appointment may be a consultation visit only depending on the type of surgical you may require. Your evaluating doctor will then schedule you for surgery as required on a subsequent date.

The following information is needed for your visit with us:

- 1- A valid form of photo ID
- 2- Please bring this referral letter with you, you will need it for the current visit
- 3- Have the name, address, & Telephone number of your primary care physician readily available
- 4- Bring with you proof your valid medical and dental insurance cards.
- 5- All medications and/or list of all medications

The services provided in this clinic are NOT free. If you have no insurance, you will be considered as a self-pay patient. If you want to apply for financial assistance at the hospital, you can do so at the time of the registration, but you will need the following documents. This application process may delay your treatment on the same day.

1. Proof of citizenship (Birth certificate or passport)
2. Proof of identity
3. Proof of income

All of the above is needed for each family member

The following is an overview of your visit to Oral and Maxillofacial Surgery Clinic:

- 1- Registration**
- 2-** You will be asked to register with your address, phone number, and insurance information at the front desk. Please have your medical and dental insurance information ready.
- 3- Triage:** Your number will be called by a member of our prescreening staff who will go over your medical history. This includes a list of your medications and obtaining your vital signs including temperature and blood pressure. **Please note that we may not be able to treat you today without a list of your medications or if your doctor decides that your medical history requires further clearance before surgical treatment.**
- 4- Radiology:** If you do not have an adequate x- ray or if you are not an existing patient in our clinic, our technician will likely call you to obtain an X-ray.
- 5- Treatment:** You will be evaluated by one of the doctors and their team, which includes residents and students.
