

TOOL 1.4: Questions for Other Navigation Programs

Take a few minutes to brainstorm questions you will ask of other navigation programs in order to learn about how they are structured. The form below suggests a few questions that you may want to use:

Questions for other navigation programs

1) What problem(s) or barrier(s) was your navigation program designed to address?

2) How did you decide what the qualifications should be for your navigators?

3) To whom do the navigators in your program report? What kinds of oversight does that person provide?
